Sherri and Ronnie, prayers for you now and in the coming days, weeks, and months. Euber was like a second dad to me since I spent so much of my childhood at your house. His slaw and fresh green beans (they were the best) made for many after school snacks and I think I spent as much time in his recliner as he did. Some of my favorite childhood memories were made there and I loved him dearly. ❤️

Sherri & Ronnie we send our condolences and prayers for you, we were sorry to hear of the passing of your Dad. I at age 12 had some good memories of your Dad once sold me his favorite slot racer he raced at Albemarle Slot race track. Thank you for posting the video, we saved to better remember those days as he was friend with my older brother. May God Bless you both and your family. 🙏🙏

Ronnie and Sherri, we were so very sorry to learn that your dad had passed away. He was a fishing buddy for Donny a number of years. And he build my house at the lake 54 years ago! And it's still just as strong as ever.☐. I know you both are heart broken and you can be assured that you will be in our prayer. Prayers, love and hugs 🙏❤️🤗 Donny and Brenda
