The family will receive friends from 1-3 PM prior to the hour of service at Stanly Funeral and Cremation Care of Albemarle. The Hill family got together a lot back in the day. It was always great fun to hang with the cousins and see what kind of mischief we could get into. Greg was one of those BIG FUN cousins that my brother Donny and I looked forward to playing with. So many wonderful childhood memories associated with my cousin from Palmerville. We're gonna miss you Greg but look forward to seeing you one day on the other side.

Greg, my little sister and I were a few of the kids that went to Mama Bessie's day care during the summer when school was out. We had the best time playing together. He was always laughing about something and always had a big smile to give! In school, Greg was truly a nice guy to everyone and a big teddy bear to love. He loved his girls, Madison and Ericka, with every fiber of his being and was always glad to update us as to their life and whereabouts. He was an Angel on earth and will fit in just fine in heaven! He'll be missed here!!

One of the dearest of cousins that was part of my growing up years. Remembering so many family reunions, such a beautiful time in my life with cousins running in every direction, full of energy and so much joy. My sweet Glenn and Greg giving their Mama, Aunt Florence, a run for her money with all their mischievous ways. Oh, what special memories. Sweet Greg, sending so much love and will look forward to our joyful times again in the magnificent heavens.

One of my best friends in High School. He was a tough fullback and linebacker on the football team. Rest in peace my friend...Greg "Pinky," "Rhino" Hill
