Deloris my heart breaks for you with every breath I take. Jimmie was a good man as well as a great brother-in-law. I have so many memories of the beach trips that you took me with you. I remember when I saw him the first time he looked 10 feet tall. He gave me my first motorcycle ride and let me tag along when he went fishing. He let me "win" arm wrestling and I never knew that he "let" me. I loved him and will miss him greatly. To me, he really is 10 ft tall.

Deloris, I love you so much. Jimmie was a great person, and we have many fond memories of him. Gordon will always remember the wonderful fishing trips and good times along the fishing streams, and I will never forget thinking he was the most handsome man I'd ever seen when he would visit in his sailor outfit when you first started dating. I am proud to have called him my brother-in-law. I love you, sister.
