We are saddened to hear about Aunt Esthers passing. She was a dedicated wife, mother, and such a role model for each of us. Our grandparents, parents, and families grew up in a time when they only knew hard work, personal responsibility, work ethic, commitment, and self sacrifice with a deep faith in God. They were truly a demonstration of patriotic freedom and belief in a greater good. I just can't imagine the reunion with friends and family members that have gone before us, they were all watching for Aunt Esther as Jesus took her home. May you find comfort and peace in knowing that you will see her again. We love you. Gene & Jane Earnhardt

Esther is one of the kindest, smartest, wittiest souls I have ever known. She was an accomplished individual to overcome any obstacle from a college education, to a complex job. And, this was done during a time when most are slowing down from rearing their children. I would say that rearing her children was her greatest accomplishment. She cared for my daughter from infancy to a few years old. Not only did she leave a mark on these babies, she left a legacy to the parents. Burgess Family, your Mom, Grandmother touched a lot of people's lives. May the Lord give you comfort and peace, now, and the days to follow. In prayer and sympathies

Mom I love you and I am so thankful for the examples you gave to us. Your faith and love was so strong and selfless. You loved unconditionally showing us the love of Christ every day. You corrected us when we need it which was not always pleasant but I am even thankful for that too. Your Dedication to family and teaching us how love others with the kindness of your Savior. We will miss all of those family meals with your delicious homemade biscuits. Your smile, faith and love will always be a part of us. I miss you mom and I love you so much but I know I will see you again and I pray it will be soon. Your calamity (Sherry)
