Dale was one the best persons I ever met in my life, he was the kind of man who would help someone else who was in need before helping himself. I enjoyed working with him and being a friend, if Dale was your friend he was there for life, I was honored and privileged to be able to call this man my friend, I'll always remember him for he was one of a kind. There is no doubt in mind where he is today. His family will miss him as he was a big part of their lives. If the world was full of Dale Burleson's this would be a great world, our condolences to the family . With love and respect;
