I am so very sorry for your loss. Deborah and I worked together at Pat & Mick's Seafood when we were in high school. If I'm not mistaken, Deborah's mom and Mick were sisters. I have nothing but fond memories of those times. Deborah was also my date for a South Stanly High School prom. Wishing all her family and loved ones peace and the comfort of beautiful memories.

Deborah and I attended Endy school for 8 years. She was a wonderful friend and lady. We lost touch over the years but reconnected at a baseball game when her son played for North and my son played for West. We both attended our class reunion two years ago. I am so glad I was able to see her again. God be with the family.
