What can I say other than thanks for the memories. We grew up together not just as cousins but as best friends. Remember all the weekend sleepovers, trips to the skating rink, singing to the radio, all the laughs we had over stupid stuff. I could go on and on. In fact we have talked about a lot of those memories over the last couple years and still laughed. I will take good care of Miss Dolly for you until you can see her again. So, I'm not gonna say goodbye just see ya later and love you! 😊
