So very sorry to hear of Nelda's passing. I grew up with her, living only a block away, and have many childhood memories. I caught up occasionally when visiting Albemarle. What I remember most about her is her shy, sweet personality and how caring she was as an adult. My condolences and prayers go out to all the family. Rest in peace sweet lady. Patti Holt Boles-Gray

My heart is full of sympathy for Neldas family and friends during this time of loss. I enjoyed serving God alongside this family at Gleaning Mission Church years ago. I always enjoyed meeting her out somewhere and getting to catch up. She too loved her children and grandchildren so much. That is what we talked about most of all. My prayers are with you, Danny and the rest of the family. My experience with grief is to hold on to Jesus real tight. Much love ❤️
