Oh my sweet Maxine!!!! I work for a homecare agency and she was a client of mine. She was the absolute sweetest little lady EVER! She just enjoyed the company more than anything and I enjoyed her company just the same. She loved to watch the her game shows, especially the Price is right and she loved her plants and flowers. She gave me a tarantula fern and I have managed to keep it alive e for a few years now. I named it Miss Maxine. She loved her her children and her grandchildren so much. She always talked about them with a big smile on her face. I only saw her a handful of times but it seemed I had known her a lifetime. I will always remember sweet Maxine as the hand towel and raggedy Ann doll lady. She was such jewel and her family was blessed to have her. I'm so glad i got to know her and spend time with her sweet self.
