Thom and I sang together for many years in The Charlotte Choral Society/Carolina Voices, mostly under the direction of Dr. Bill Dailey. And I was blessed to share one of my best singing moments with Thom and another tenor on a wonderful song called "I Have Seen The Light". Thom was a gentleman, in every way you can think to define that word. He genuinely cared about the people in his life. His smile and his demeanor were infectious. I know he has gone to Heaven, and I'm happy for him. But this world will be a little colder, a little sadder, without him.....RIP, my friend
