Uncle Delbret, I along with every one that you came to know you will miss you but know that you are in heaven walking those streets of gold. I know all of your brothers and sisters (Teresa, Tommy , Wanda , Brenda, Rosie ,Darlene, Larry, Ruth, Mike, Pam,Edgar,Steve) will miss you that are still here, and those who have already passed have already had their reunion in heaven, including your parents Bill and Oma Harman. I know you had a life that was not easy, but always had a outlook on life that most will strive to match. You would literally give anyone the shirt off your back, always thinking of others before himself. I know that it is not our place to question why God called him home, but to be happy that he is now with God, family, and in heaven pain and worry free. I want to pray that over the next few days that God will help to ease the pain of his family, children, and friends during this difficult time. Love you uncle Delbret, will always remember all the fishing we did growing up , aka sneaking into ponds way off the beaten path. Rest in peace
