Mark Jean Paul Theberge

JUL 1, 1970 - AUG 18, 2025

Mark Jean Paul Theberge, 55, of Albemarle, passed away at his home on Monday, August 18, 2025. A service to celebrate his life will be held at a later date.

Born on July 1, 1970, in Springfield, Massachusetts, Mark was the son of Irene Mary Ouellette and the late Joseph Claude Theberge. From an early age, he carried a spirit of adventure and a love for anything with wheels. He had a special passion for working on motorcycles and racing them, always finding joy in the thrill of the ride.

Mark also loved training his dogs, pouring his time, patience, and affection into them, and they were a constant source of happiness in his life. Mark's family remembers him as a man full of energy, rarely still, and always on the move from sunup to sundown. To him, there was no such thing as idle time-every day was an opportunity to do something meaningful.

He had a generous heart and was never too busy to stop and help someone in need. His kindness, willingness to serve others, and genuine care for people made a lasting impression on everyone who knew him. He is survived by his wife of eight years, Alexis Ritchie Eudy, who was the love of his life; his stepchildren, Peyton Eudy and Piper Eudy, whom he loved dearly; his brother, Wayne Theberge of Wisconsin; and his sister, Lisa Wilson of Massachusetts.

He also leaves behind two nieces, Shanelle Gonzalez and Amber Theberge, and four nephews, Brandon Bedard, Cameron Wilson, Crimson Wilson, and Joey Theberge. To his family, Mark will always be remembered as loving and compassionate, with a heart bigger than life itself. He lived every moment with passion and purpose, and his memory will forever live on in the laughter, love, and stories he leaves behind.

I met Mark in 1996 when we both attended MMI in Phoenix together. He was a great guy, good friend and willing to help anyone. As a few people have said, his laugh was infectious. I'm sorry to say Mark and I had lost touch over the last few years and I regret that. He will be missed

Mark was the first person to greet us when we moved into our house in the Meadows neighborhood in 2007. He was walking two huge Rottweilers and we asked in our driveway for about an hour! We quickly became a part of a huge friend group in the Meadows that lasted for years to come! We had gatherings every weekend to play poker across the street from Mark's at the time "Ron and Megan's" house, and huge corn hole tournaments and Halloween parties at Michelle and Gary's house. In between, late night gatherings at Amy and John's or our house. It was always so much fun! Mark's laugh was contagious! He was always upbeat and cracking jokes!! His special "jungle juice" was always a hit at those parties! His dogs were always so well trained and he just loved walking them around stopping to visit everyone. That is the last memory I will have of Mark- he was walking past my house with his newest dog and stopped to chat as he always had. Jeff and I will forever remember Mark. Our hearts are broken over losing him. Prayers to his family as they will certainly be feeling the loss of his daily outgoing personality in their life.

Donna and I are terribly sad to hear the passing of Mark. He was our neighbor across the street when we moved in. From day one he was available to help in whatever we needed. He was always fun to talk with. I remember the chili he would give out on Halloween. Great chili. He was happy to help with all our projects. We will miss him.
