My best memory : I was told to drive Gary around with me so that Gary can make his quote on calls per day. Little did our boss know that Me and Gary had already planned to do it.lol. We would do the calls and take our time getting back to the office. Instead we would stop and eat and love on each other. I said it before and have placed it twice on my Facebook page. Gary was a man who never looked at color. He was my brother from another mother. A angle sent from God to make me rich not through money but through love. Thank you to his family for sharing a wonderful brother. I love you all. To his son's there's no greater love I will carry than the love your father shared with me. No white. No black. Just love is all I have. Smile on Gary you made it before me.Rest easy now as I will give me best in trying to teach others how to love on each other. No colors to look at. Just love to show.
