Erma I meet you on the corner when I walked my children to school. I always would talk to you on the way back for the longest time. You were the kindness person I knew and I was so grateful of knowing you. When I became a grandparent I knew my grandson Matt would be safe because of you. Matt would talk you with a long time before coming home. I would look on my porch and see why he was taking so long to get home. Thank you for keeping my babies safe. I will treasure are talks .I'm so glad you moved with Paula. Rest easy my friend we will remember your smile, kindness you gave us on Cumberland St.

We shared so much throughout our lives it's hard to pick just one. I am so grateful that we stayed in each other's lives. She was such a giving person always willingly helping others. I'm proud to call her my sister and to had the opportunity to have her in my life. I will miss her dearly.
