“ I am sorry to hear about the loss of your dear loved one. Please accept my condolences at this painful time. Losing a loved one is distressing and as comfort is needed from family and friends, it is my hope your family will find comfort in the words found at Revelation 21:4 where it says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." It is my hope your family will find strength to endure during the days ahead.
