“ Miley was truly a wonderful man. When we moved in next door to his fathers home he treated my son Tyler and I just like family. He would check in on us and always see how we were. He was a K&W lover just like Tyler and We made a few trips to eat together. Tyler and I hold many good memories in our hearts bc of Miley. He was such a good soul. Prayers to you all during this time. My heart is broken for you Jeff. I can't imagine what you are going through.

“ I got off the plane on a Sunday in Vietnam in April 1969 with lots of other Marines. To my surprise Miley's face greeted me at the bottom of the stairs. We spoke for just a few minutes and I will always remember that he told me that we'll get together when we get home. And we did thank God. Semper Fi brother.
