“ Todd,Bobby and Cindy, I am so sorry about your sweet Mama..I met her when we worked at Allison's many years ago.She was the sweetest lady I'd ever met.We use to talk about her working for the C.I.A and about our kids.She was such a joy to know and be with. I moved away from Albemarle in 1975 and lost touch with her but I have thought about her often..You are all in my thoughts and prayers. I know you probably don't remember me because you were all so young but I remember you all. I will see her again in heaven and I hope you guys will go to heaven too some day. God Bless you all.

“ I'm selfish too. I wanted you to stay just a little while longer, but I know that you're home & that's where you wanted to be. You can walk with Jesus & hear the angles sing & see all your loved ones who are waiting for us to get to heaven. I'm so blessed to have had you as mother n law. You truly are an inspiration to us all. You raised 6 amazing kids. I'm blessed to married one you raised that you didn't have to. If I never said thank you, well, thanks Mom. I'm so thankful for you raising Bret Ashley and Brian. I know it wasn't easy being a stepmom but you definitely we're so much more than that to them. You were mom. Always & forever. He's my best friend and I can only hope that we have what you & pop had. A simple love & riches that money can't buy. I will miss you girl. Miss our long chats on the phone (lol). Miss sitting outside talking about flowers and faith and family. I love you!! See you soon!!!!

“ I will see you soon! You were the best mother that anyone could ever have. You taught me how to be strong because you were the strongest person I ever knew. You were so kind to everyone and would do anything for anybody. You had so much faith. I love you so much. I guess I am selfish, I didn't want you to go. I am glad you are not hurting anymore. I will see you soon!
