“ My condolences to the family. I had the privilege to work with Sheila for many years. She was a great nurse in every aspect: looking after the care and needs of patients and families, sound clinical skills and judgment, rapport with hospital staff and physicians. She set a high standard that I was fortunate enough to work with a true professional.

“ Margaret and family, I'm so sorry to learn of Shelia. I worked with her at the hospital when I was in school. She was always so kind to me, and willing to teach me too. I can certainly see her as an instructor. Lifting you all in prayer.
